IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT
 Please call or write to our customer service section at the address below if you think your statement or receipt is wrong or if you have a question. We must hear from you no later than 60 days after we sent the statement.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about and ask for more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your checkbook. We will tell you the result of our investigation within 10 business days for a debit card transaction or a transfer initiated outside the United States. For more time, however, we may take up to 45 days (90 days for a transfer initiated outside the United States) to investigate a transfer initiated outside the United States) to investigate within 10 business days for the amount you think is in error. ~~So that you have the use of the money during the time it takes us to complete our investigation.~~ If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not recredit your account.

If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

<p>If you have authorized the Bank to automatically pay your credit line bill from your checking or savings account, you can stop or reverse payment on any amount you think is wrong by mailing your notice so that the Bank receives it within 16 days after the bill was sent to you.</p> <p>You remain obligated to pay the parts of your bill not in dispute, but you do not have to pay any amount in dispute during the time the bank is resolving the dispute. During that same time, the Bank may not take any action to collect disputed amounts or report disputed amounts as delinquent.</p> <p>This is a summary of your rights; a full statement of your rights and the Bank's responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.</p>	<p>IF YOU HAVE A CREDIT LINE</p> <p>A finance charge is imposed upon all amounts outstanding each day such amounts remain outstanding. We figure the finance charge on your account by applying the periodic rate to the "average daily balance" of your account including current transactions. To get the "average daily balance" we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, and unpaid finance charges. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance." The daily period rate used to compute the FINANCE CHARGE is .0493% per day. The corresponding ANNUAL PERCENTAGE RATE is 18%. The periodic rate for leap year will be .0492% per day.</p>
