RE: DOCKET NO. 910838-TL - Proposed tariff filing to provide Trunk Side Access, Uniform Access Number, Automatic Number Identification, Custom Service Area, and Call Detail Information as Open Network Architecture (ONA) Offerings by SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY. (T-91-297 filed 6/24/91)

Issue 1: Recommendation that Southern Bell's tariff filing to introduce Trunk Side Access, Uniform Access Number, Automatic Number Identification, Custom Service Area, and Call Detail Information services, as part of their ONA offerings, be approved, effective September 2, 1991. Information on these ONA offerings should be included in the required quarterly reports. Additionally, the Company should include in its quarterly reports any developments in per-call blocking provisions for ANI. Finally, the Company should maintain an accurate list of all Uniform Access Number customers for review by the Commission or any law enforcement agency.

APPROVED

Issue 2: Recommendation that this docket be closed at the end of the protest period if no protests are received.
