RE: DOCKET NO. 900915-EI - Petition to resolve territorial dispute between SUWANNEE VALLEY ELECTRIC COOPERATIVE, INC. and FLORIDA POWER AND LIGHT COMPANY (H. R. Driggers property).

Issue 1: Recommendation that, with respect to the location, purpose, type, and capacity of each utility's facilities existing as of the filing of Suwannee Valley Electric Cooperative's (SVEC) petition, SVEC has distribution lines adjacent to the disputed property which are capable of providing the requested service, and FPL's nearest facilities are approximately 9,000 feet away.

APPROVED

Issue 2: Recommendation that SVEC will not have to add any new facilities to serve Mr. Driggers except for a transformer and service drop, and FPL will have to extend its service line approximately 9,000 feet in order to serve Mr. Driggers.

APPROVED

Issue 3: Recommendation that the approximate cost to SVEC to provide service to Mr. Driggers is \$2,310. The approximate cost to FPL to provide service to Mr. Driggers is \$16,479.

APPROVED

Issue 4: Recommendation that both utilities have the ability to logically extend their existing facilities to serve the disputed area.

APPROVED

Issue 5: Recommendation that SVEC had provided service to the previous owner of the property.

APPROVED

Issue 6: Recommendation that FPL will have to install 9,000 feet of distribution line at a cost of \$16,479. This will duplicate the facilities already available from SVEC.

APPROVED

Issue 7: Recommendation that the Commission should continue to follow its general practice of applying customer preference as a criterion in territorial disputes only in those cases where all other factors are reasonably equal.
