

## BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Proposed tariff to establish rates ) DOCKET NO. 911036-TL  
 and charges for DIALAN service by ALLTEL ) ORDER NO. 25467  
 FLORIDA, INC. ) ISSUED: 12/11/91

The following Commissioners participated in the disposition of this matter:

THOMAS M. BEARD, Chairman  
 SUSAN F. CLARK  
 J. TERRY DEASON  
 BETTY EASLEY

ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

Alltel Florida, Inc. (Alltel or the Company) has filed a tariff to introduce DIALAN which is an asynchronous data service that adds a data circuit to a customer's existing voice grade telephone line without interfering with voice communications. The proposed service will utilize data over voice (DOV) technology to provide customers with 300 bps to 19.2 kbs switched data capability. The Company anticipates that the service will be attractive to residential customers as well as large business users. It is presented as an alternative to more costly dedicated facilities.

In order to provide the DOV capability of DIALAN, an Integrated Voice/Data Module (IVDM) must be located at the customer's premises. The IVDM combines the voice and data circuits for transport on the customer's existing access line back to the central office. Under the proposal, the customer will be responsible for the provisioning of the IVDM. This equipment is available through retailers for approximately \$350.

The costs for the various rate elements proposed in the tariff were developed using an embedded costing methodology. This study included the costs for materials as well as engineering and installation of the DIALAN software and hardware. The proposed recurring monthly rate is \$23 with a nonrecurring charge of \$50. Alltel also proposes to offer this service with 36 and 60 month contract options at recurring rates of \$22 and \$21 per month respectively. The projected net revenue increase over a five year period is expected to be \$13,727. We have reviewed the costs and associated contribution amounts of the rate elements and find that

this service will provide an adequate level of contribution to the shared costs of the Company.

Upon review, we find that DIALAN is a service that is beneficial to both the end user and to the Company. The customer will be able to utilize a high quality switched data circuit without the need of an additional access line while the Company will benefit from a more efficient use of it's public switched network. Thus, we approve Alltel's request to establish rates and charges for DIALAN service with an effective date of December 6, 1991.

Therefore, based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that Alltel Florida Inc.'s request to establish rates and charges for DIALAN service is hereby approved with an effective date of December 6, 1991. It is further

ORDERED that if a protest is filed within 21 days from the date of this Order, the tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. If no timely protest is filed, this Docket shall be closed.

By ORDER of the Florida Public Service Commission, this 11th day of DECEMBER, 1991.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on 1/2/92.

In the absence of such a petition, this Order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
