ORDER ESTABLISHING 1992 DOCKET NUMBER

BY THE COMMISSION:

In order to avoid confusion and reduce administrative handling problems in these active and continuing dockets on planning, we are establishing a new docket number for the calendar year 1992. Beginning January 2, 1992, Docket No. 910001-EI, Fuel and Purchased Power Cost Recovery Clause and Generating Performance Incentive Factor will be identified as Docket No. 920001-EI.

The establishment of a new docket number is for administrative convenience only and the Commission retains its continuing jurisdiction over matters considered in previous planning dockets.

New docket numbers will be used by all parties on the effective date of January 2, 1992, and thereafter. Intervenors will not remain as parties to this docket unless they notify the Division of Records and Reporting in writing of their intent to remain parties. Intervenors and interested persons must reestablish their status in order to remain on the docket mailing list.

In the past we have maintained the dockets ending with the digits 0001-EI, 0002-EG, and 0003-GU, under a single mailing list. This year we intend to establish separate mailing lists for each of those dockets. All intervenors and interested persons shall hereinafter make individual filings, identifying each filing with a separate docket number, in order to ensure placement in the correct docket. It is therefore

ORDERED by the Florida Public Service Commission that beginning January 2, 1992, all matters previously the subject of Docket No. 910001-EI, shall be part of Docket No. 920001-EI. It is further

ORDERED that the Commission shall retain jurisdiction over matters considered in previous fuel cost recovery dockets.
