ORDER AMENDING CERTIFICATE TO INCLUDE
ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On October 25, 1991, Jacksonville Suburban Utilities Corporation (JSUC or Utility) filed an application with this Commission to amend Certificate No. 179-S to include additional territory in Duval County, Florida. The application, as originally filed, requested three parcels of land to be served by an extension of its existing wastewater system. On January 24, 1992, JSUC amended its application to delete one of the parcels.

The application is in compliance with Section 367.045, Florida Statutes, and other pertinent statutes and administrative rules. In particular, the notarized application contains:

1. A filing fee in the amount of \$150.00, as prescribed by Rule 25-30.020, Florida Administrative Code.
2. Service territory and system maps and a territory description, as prescribed by Rule 25-30.036, Florida Administrative Code. The additional territory in Duval County is described in Attachment A of this Order.
3. Proof of notice to interested governmental and regulatory agencies and utilities within a four-mile radius of the territory, and proof of advertisement in a newspaper of general circulation in Duval County, as prescribed by Rule 25-30.030, Florida Administrative Code.
4. Evidence, in the form of a recorded warranty deed, that the Utility owns the land upon which its facilities are located, as required by Rule 25-30.036, Florida Administrative Code.

No objections to the notice of application have been received and the time for filing such has expired.

Since JSUC has been in operation under our jurisdiction since 1974, and has been providing satisfactory service to its customers,

we believe that the Utility has demonstrated its ability to provide service to the additional territory. From the information filed with the application, it appears that JSUC has the financial ability to serve the additional territory. Therefore, we find that it is in the public interest to amend Certificate No. 179-S to include the territory described in Attachment A of this Order, which by reference is incorporated herein. JSUC has returned Certificate No. 179-S to the Commission for entry reflecting the additional territory. The Utility has also filed revised tariff sheets reflecting the amendment.

JSUC shall charge the customers in the territory added herein the rates and charges approved in its tariff. The Utility's rates became effective July 5, 1991, pursuant to WS-91-0153 (price index). The Utility's service availability charges became effective April 8, 1981, pursuant to WS-81-31. JSUC shall continue to charge these rates and charges until authorized to change by the Commission.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificate No. 179-S, held by Jacksonville Suburban Utilities Corporation, 644 Cesery Boulevard, Suite 108, Post Office Box 8004, Jacksonville, Florida 32239, is hereby amended to include the territory described in Attachment A of this Order, which by reference is incorporated herein. It is further

ORDERED that the customers in the territory added herein shall be charged the rates and charges approved in the Utility's tariff. It is further

ORDERED that Docket No. 911090-SU is hereby closed.

By ORDER of the Florida Public Service Commission, this 24th
day of FEBRUARY, 1992.
