AMENDATORY ORDER

BY THE COMMISSION:

On February 24, 1992, this Commission issued Order No. 25788, which granted water and wastewater certificates and established rates and charges for Country Club of Sebring. On Page 9 of that Order, the plant capacity charge for the water system was incorrectly reflected as \$497. The correct charge is \$425. The sentence is amended to read as follows:

Therefore, we find that plant capacity charges of \$425 for the water system and \$550 for the wastewater system are appropriate and they are approved.

It is, therefore,

ORDERED by the Florida Public Service Commission that Order No. 25788 is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. 25788 is hereby affirmed in all other respects.

By ORDER of the Florida Public Service Commission, this 18th day of MARCH, 1992.
