Re: SunCoast Pipeline Company  
Florida PSC Docket No. 92-0672GP

Dear Mr. McCormick:

This is to advise that the SunCoast Pipeline Company remains fully committed to building the SunCoast Pipeline and to serving Florida's natural gas customers. United Gas Pipe Line Company remains fully committed to the SunCoast project, even though the Coastal Corporation has withdrawn; and therefore Coastal Corporation's letter to the Florida Public Service Commission dated August 12, 1992, is inaccurate.

SunCoast requests that the Florida Public Service Commission not close its file on the SunCoast project (Florida Public Service Commission Docket No. 92-0672GP). The Commission will be advised on or before October 1, 1992, as to the date SunCoast's application will be filed. The application will contain all of the requisite information necessary to support the filing.

Very truly yours,
