ORDER APPROVING TARIFF

BY THE COMMISSION:

On May 15, 1992, Central Telephone Company of Florida (Centel or the Company) filed revisions to its General Customer Services Tariff proposing to introduce two Teen Talk services. Basic and Premium Teen Talk services are new packages of existing Custom Calling packages offered in conjunction with a second residential access line. They are available to all residential customers, but are specifically designed for teens.

Basic Teen Talk consists of Call Waiting and 3-Way Calling and is priced at \$3.00 per month. Premium Teen Talk offers Call Forward Busy/No Answer, 3-Way Calling, and Enhanced Call Waiting for \$4.00 per month. The particular combinations of features are not currently available in another Custom Calling package, but the proposed rates are consistent with similar combinations.

We believe that this proposal is appropriate. The Custom Calling packages are priced consistently with other packages that the Company currently offers. Additionally, these packages may help the Company sell more access lines or Custom Calling features. Accordingly, we hereby approve the tariff as filed, effective August 5, 1992.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the proposed tariff adding Basic Teen Talk and Premium Teen Talk services by Central Telephone Company of Florida is hereby approved, effective August 5, 1992. It is further
