AMENDATORY ORDER

BY THE COMMISSION:

By Order No. PSC-92-0158-FOF-TL, issued April 6, 1992, we proposed requiring a survey of certain customers for implementation of extended area service, as well as implementation of an alternative toll relief plan between certain exchanges.

Subsequently, it came to our attention that page 6 of the Order contains a typographical error. Presently, the second sentence in the second full paragraph on page 6 of the Order reads:

The existing OEAS plan on the Brooksville to Trillacoochee route shall be discontinued at the time EAS is implemented.

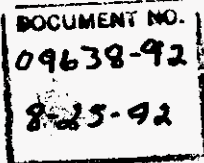

That sentence should actually read:

The existing OEAS plan on the Trillacoochee to Brooksville route shall be discontinued at the time EAS is implemented.

Accordingly, Order No. PSC-92-0158-FOF-TL shall be so amended.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-92-0158-FOF-TL is hereby amended to the extent set forth herein. It is further

ORDER NO. PSC-92-0158A-FOF-TL
DOCKETS NOS. 910529-TL and 880069-TL
PAGE 2

ORDERED that Order No. PSC-92-0158-FOF-TL is affirmed in all other respects.

By ORDER of the Florida Public Service Commission this 25th day of August, 1992.
