ORDER APPROVING A TARIFF ON
ONE-YEAR EXPERIMENTAL BASIS

BY THE COMMISSION:

On July 14, 1992 Florida Power and Light Company (FPL or utility) filed with this Commission a proposed tariff revision requesting authority to waive Reconnection Charges, Returned Check Charges, Late Payment Charge and Field Collection Charges once in any 12-month period for "customers who would otherwise have had a satisfactory payment record (as defined in 25-6.097(2) F.A.C.) upon acceptance of FPL of a reasonable explanation justifying a waiver." On August 28, 1992 FPL amended that revision request in order to include "customers affected by natural disasters or periods of declared emergencies".

We have reviewed the original filing and its amendment and find that they should be approved on an experimental basis for a one-year period. During that year FPL will keep records of the number of requests for waiver, the reasons given for the requests and the requests that were granted.

In consideration of the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power and Light Company's request to amend its Service Charges tariff as described in the body of the Order is approved for one year from the date of this Order on an experimental basis. It is further
