ORDER APPROVING CHANGE IN NAME OF UTILITY

BY THE COMMISSION:

Lake Utility Company, Inc. (Lake or utility) is a Class C water and wastewater utility which provides service to the Plantation at Leesburg, Florida, a Lake County mobile home development. Lake began providing service in 1987 but did not receive a certificate until 1990 when it began receiving compensation for the service it provided. By Order No. 22946, issued May 16, 1990, Certificates Nos. 527-W and 461-S were issued to Lake Utility Company, Inc. in Lake County.

In 1990, Lake was a separate corporate entity with 100 percent of its stock owned by the H. Smith Richardson Testamentary Trust (Trust). In 1992, we became aware that the utility had been operating under the name of Lake Utility Company. We informed the utility that it was required to make application for recognition of the change in the utility's name.

Thereafter, by letter dated April 23, 1992, Lake Utility Company, Inc. requested this Commission's acknowledgement of a name change to Lake Utility Company. Lake is requesting the change of name because the Trust decided to operate the utility as a division of the trust and to cease operating it as a separate corporate entity. Our review indicates that the utility has not effected a transfer of its certificate or a change in majority organizational control.

Based upon the foregoing, the utility's request to change the name on Certificates Nos. 527-W and 461-S to Lake Utility Company is hereby approved.

It is, therefore,

ORDERED by the Florida Public Service Commission that the request by Lake Utility Company, Inc., to change its name on Certificates Nos. 527-W and 461-S to Lake Utility Company is hereby approved. It is further
