ORDER CLOSING DOCKET

BY THE COMMISSION:

On January 7, 1992, we voted to acknowledge the resolution of the Escambia County Board of Commissioners and to keep this docket open until all utilities in Escambia County filed an application either for a grandfather certificate or an exemption from our regulation. We have received five applications for grandfather certificates and 21 applications for exemptions from regulation, which represents an application from each private water and/or wastewater utility in Escambia County. Each of these applications has been filed and is being reviewed in a separate docket.

Therefore, since no further action is required in this docket, this docket shall be closed.

It is, therefore,

ORDERED by the Florida Public Service Commission that all applications have been filed by the requisite utilities in Escambia County, and this docket is hereby closed.

By ORDER of the Florida Public Service Commission this 8th day of September, 1992.
