RE: Request of Morgan Road Baptist Church in Bradford County for
Exemption from Florida Public Service Commission Regulation -
Docket No. 920853-WS

Dear Mr. Lamb:

Your application was received and issued Docket No. 920853-WS on August 25, 1992. It appears that you may be exempt from Commission regulation. However, you completed an exemption application for governmental entities. I believe that based on the information you did provide, Section 367.021(12), FS most represents your operation because it does not appear that you charge the members and guests of your church for providing water and wastewater service.

Please complete the enclosed Exemption Application form and return it to our office by October 23, 1992. The mailing address is as follows:
