Re: Docket No. 920999-WS - Request for exemption from Florida Public Service Commission regulation for provision of water and wastewater service in St. Lucie County by Country Cove Mobile Home Park.

Dear Mr. Autullo:

We received your application on October 5, 1992 and the filing was issued Docket No. 920999-WS. After speaking with you over the phone, it appears that you may be exempt from Commission regulation as provided for in the Landlord-Tenant provision of Section 367.022(5), Florida Statutes. However, before we can determine whether Country Cove Mobile Home Park is exempt from Commission regulation, we will need to review the "prospectus" or standard lease which you did not submit with the application. Please provide this document by November 20, 1992.

If you have any questions concerning this, please contact me in writing or by phone at (904) 488-8482.

Sincerely,

Michele Franklin
