PETITION FOR LEAVE TO INTERVENE
BY CONCERNED CITIZENS OF SEBRING ("CCOS")

Pursuant to Rule 25-22.039, Florida Administrative Code,
CONCERNED CITIZENS OF SEBRING ("CCOS") respectfully files
this Petition for Leave to Intervene in the above-styled
proceedings and states the following in support thereof:

1. Concerned Citizens Of Sebring (CCOS) is a nonprofit,
unincorporated organization registered with the State of
Florida under Florida Law as a Political Committee on June
20, 1991. Its composition is Sebring rate payers and tax
payers who "advocates good sound judgement and common sense
approach in making and exercising Governmental decisions and
businesslike processes by all government elected or appointed
Boards, Commissions, Authorities, Councils, etc. in Sebring,
Sebring area and Highlands County.

2. CCOS is and has since its inception focused on
finding, identifying, and implementing an equitable solution
and protection for rate payers and tax payers in Sebring
Utilities Commission financial situation. CCOS has also
tried to counteract Sebring City Council's blind opposition

to any solution or action by Sebring Utilities Commission.

3. CCOS has a real interest in the results of Florida Public Service Commission's action in this matter because it will affect and impact business and residential environment in the Sebring area for a very long time to come.

4. CCOS desires to be a party to this proceeding and to do and participate in all things which a party may properly do. CCOS designates its Chairman, Robert G. Pollard, as its representative on its behalf and attaches Petition Exhibit A, a statement signed by CCOS members so designating Mr. Pollard; and Petition Exhibit B, a copy of the original "Statement of Organization of Political Committee" listing officers, board of directors, its scope and aims.

5. Notices and communications concerning this matter should be addressed to: Robert G. Pollard, Chairman, Concerned Citizens of Sebring, 810 N. Ridgewood Drive, Sebring, Florida 33870. Telephone number (813) 385-8110.

6. CCOS opposes the sale of assets to Florida Power Corporation as the deal now stands. CCOS believes the transition fee (Sebring Rider) is discriminatory and involves "innovative" financing at higher interest rates than necessary and that too little price is being paid for the total package of assets and "Going Concern" business of some 13,000 captive

rate payers whose meters are grinding out dollars from the very first moment after takeover. This short payment for value leaves too large a balance of bonded indebtedness to be paid by said transition fee.

7. CCOS objects to City of Sebring purchasing the water system for the price of Twenty-one Million Five Hundred Thousand Dollars (very close to its maximum bonding ability as opposed to any mention of depreciated book value) as accounted for in item #3 in section #13 (purchase price) in the Joint Petition. These items are NOT in the best interest of the rate payers. Rate payers were shortchanges by agreeing to sell the electric distribution system for depreciated book value and pricing the water system which Sebring already owns for maximum bonding value.

WHEREFORE, Concerned Citizens of Sebring ("CCOS") request that their Petition for Leave to Intervene be granted and that the Commission enter an order authorizing Concerned Citizens of Sebring to intervene as a full party to this proceeding.
