ORDER INDICATING NONJURISDICTIONAL STATUS  
OF 301 DRIVE IN AND CLOSING DOCKET

BY THE COMMISSION:

On August 24, 1992, 301 Drive In filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The 301 Drive In is a theater located on Highway 301 in Bradford County, Florida. Mr. Alvin B. Howard, Manager, filed the application on behalf of 301 Drive In. The filing contained a statement from Mr. Robert Barksdale, Owner of 301 Drive In, authorizing Mr. Howard to file the application.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The water system owned by the 301 Drive In consists of a well. According to the application, water is provided only to the theater, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Howard acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, the 301 Drive In will not be providing water service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owners of the 301 Drive In or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission, based upon the facts as represented, 301 Drive In, Route 5, Box 7215, Starke, Florida 32091, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owners of the 301 Drive In or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate 301 Drive In's nonjurisdictional status. It is further

ORDERED that Docket No. 920848-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 10th day of November, 1992.
