ORDER INDICATING NONJURISDICTIONAL  
STATUS OF OLC LABOR CAMP #2

BY THE COMMISSION:

On November 23, 1992, OLC Labor Camp #2 (OLC) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The applicant is a nonprofit corporation in St. Lucie County that provides water and wastewater services to the Labor Camp only. There is no service provided to the public. Water service is provided by a well and a water treatment plant. Wastewater service is provided by a sewer treatment plant. The contact person is Mr. Jim Fowler, Safety and Compliance Supervisor, and the mailing address is P.O. Box 14019 Ft. Pierce, Florida 34979. The plant is located on Godwin Road, Ft. Pierce, Florida 34979.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2), and (3)(j), Florida Administrative Code. The applicant stated in its application that all costs for providing the service are treated or recovered as operational expenses and the service territory is limited to the Labor Camp. Furthermore, it acknowledged Section 837.06, Florida Statutes, regarding false statements.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, Florida Statutes, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."
