Mr. Steve C. Tribble Director, Division of Records and Reporting Florida Public Service Commission 101 East Gaines Street Tallahassee, Florida 32301

RE: Docket No. 910163-TL

Dear Mr. Tribble:

On November 30, 1992, Southern Bell filed its Response and Objections to Staff's Nineteenth Request for Production of Documents and its Notice of Intent to Request Confidential Classification for certain information contained in documents responsive to Staff's request. Specifically, the Company objected to Request Nos. 1, 2, and 6 on the basis that responsive documents contained customer-specific information. Based on subsequent discussions with Staff, it was decided that Staff would accept the documents without the customer-specific information included. Since Staff has not yet taken actual possession of any of the documents responsive to Request Nos. 1, 2, and 6, Southern Bell is redacting the proprietary confidential business information and will provide such redacted documents to Staff as agreed. In so doing, this eliminates the need to file for Confidential Classification for these documents.

Based on the above, Southern Bell is hereby withdrawing its Notice of Intent to Request Confidential Classification for the portions of the documents produced in response to Request Nos. 1, 2, and 6 which have been redacted as described. All other responses and objections contained in the Company's December 30, 1992 filing are hereby reasserted Aand reaffirmed and are in no way altered as a result of this limited revision to Southern Bell's previous response.

A copy of this letter is enclosed. Please mark it to indicate that the original was filed and return the copy to me. Copies have been served on the parties shown on the attached Certificate of Service
