Dear Mr. Hope:

Pursuant to our discussion on December 2, 1992, enclosed are the tariff pages which will need to be revised. It should be noted that there are two copies of the General Service Rate Sheet (wastewater only) and the Service Availability Sheet (water and wastewater). We are enclosing two General Service Sheets to account for the service provided to the clubhouse and the service provided to the maintenance house. Please make the changes which we discussed at our meeting and resubmit the tariff sheets by **January 29, 1993**.

In addition, after discussions with our staff attorney, we have made the following determinations:

- CMU _____
- CTR _____
- EAG _____
- LEG _____ 3. Concerning interest on deposits, we have determined that the proper interest period would begin when the Commission obtained jurisdiction of Alachua County. The Commission obtained jurisdiction of Alachua County on June 30, 1992.
