ORDER TO SHOW CAUSE WHY
A FINE SHOULD NOT BE IMPOSED

BY THE COMMISSION:

On January 6, 1992 and February 26, 1992, the Division of Communications received requests from the Division of Records and Reporting to furnish them with a current address, both for mail and location, for an interexchange company, TIGA Management Corporation, Inc. (TIGA or the Company). After trying unsuccessfully to locate TIGA by phone and mail, this docket was opened to cancel Certificate No. 2664 belonging to TIGA for violation of Rule 25-480(4)(a), F.A.C. Rule 25.480(4)(a), F.A.C., requires interexchange companies to file updated information with the Division of Records and Reporting within 10 days after such changes occur.

Subsequently, on March 23, 1992, TIGA contacted the Tariff Section requesting information on its tariff. At this time, the Company was informed that a docket had been opened to cancel its certificate for violation of Rule 25-480(4)(a), F.A.C., and was advised to contact the analyst assigned to the docket. After failing to hear from TIGA, staff contacted the company on March 26, 1992, and informed the Company that its certificate would be cancelled unless the proper mailing and location information was sent immediately to the Division of Records and Reporting and the Division of Communications.

TIGA complied with the request; therefore, we conclude that TIGA's certificate should not be cancelled. However, this does not

mean that corrective action should not be taken for TIGA's failure to comply with Rule 25-24.480(4)(a), F.A.C., by not informing this Commission of a change in address. We find it appropriate for TIGA to show cause why the Company should not be fined \$100 for violation of Rule 25-24.480(4)(a), F.A.C.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that TIGA Management Corporation, Inc. shall show cause why the Company should not be fined \$100 for the violation cited in the body of this Order. It is further

ORDERED that any response to this Order shall be filed pursuant to the requirements below. It is further

ORDERED that this docket shall remain open pending resolution of the show cause process.

By ORDER of the Florida Public Service Commission, this 11th day of May, 1992.

Division of Records and Reporting

Such default shall be effective on the day subsequent to the above date.

If an adversely affected person fails to respond to this order within the time prescribed above, that party may request judicial review by the Florida Supreme Court in the case of any electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting, and filing a copy of the notice of appeal and the filing fee with the appropriate court.
