Dear David:

The Florida Energy Pipeline Association would like to be a part of the PSC's rulemaking to implement HB171-H. Rules that pertain to pipelines are of interest to our membership.

Also, I understand the Public Service Commission is going to start to process the Suncoast Pipeline certification prior to the adoption of the new rule. We would like to be a part of this process as well. If you would put us on the appropriate list to stay up with developments with these items, we would appreciate this.
