Re: Revised Case Assignment and Scheduling Record

Attached is a time schedule, entitled "Case Assignment and Scheduling Record" (CASR), which has been prepared by Commission staff members and approved by the Chairman. It should be noted that this is a revision of an earlier CASR. Please review the schedule and note the dates designated by the Commission for completion of stages of work in the docket.

Any requests for changes in the schedule must be filed with the Division of Records and Reporting for consideration by the Commissioner assigned to rule on motions and procedural matters in the docket or by the Commission Chairman.

Persons receiving these schedules should be aware that the dates are subject to change and therefore should not rely on them exclusively, but should continue to look to the Commission's official notices and orders for firm dates of hearings and other activities.
