ORDER INDICATING NONJURISDICTIONAL STATUS
OF NORRIS'S FAMOUS PLACE FOR RIBS (NORTH) AND CLOSING DOCKET

BY THE COMMISSION:

On October 19, 1992, Norris's Famous Place For Ribs (North) (Norris's) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Norris's is a restaurant, which has a well and wastewater treatment plant located at 3080 North U.S. 1 in Ft. Pierce, Florida. Mr. Preston C. Kurth, District Manager, filed the application on behalf of Norris's. A statement from Mr. Philip A. Disque, Vice President of St. Lucie Sun Corp, which owns Norris's, was submitted with the request for nonjurisdictional status authorizing Mr. Kurth to file the application.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2) and (3)(j), Florida Administrative Code. According to the application, water and wastewater service is provided only to the restaurant, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

FPSC-RECORDS/REGISTRATION

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Kurth acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Norris's is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Norris's or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Norris's Famous Place For Ribs (North), 3080 South U.S. 1, Port St. Lucie, Florida 34946, is not a water and wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Norris's Famous Place For Ribs (North) or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Restaurant's nonjurisdictional status. It is further

ORDERED that Docket No. 921084-WS is hereby closed.

By ORDER of the Florida Public Service Commission this 13th day of January, 1993.
