ORDER INDICATING NONJURISDICTIONAL STATUS  
OF MONTGOMERY CONFERENCE CENTER AND CLOSING DOCKET

BY THE COMMISSION:

On August 24, 1992, Montgomery Conference Center (Montgomery or Center) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Montgomery, owned by Presbytery of St. Augustine, is located at Route 3, Box 1102 in Starke, Florida. Mr. Dean Kells, Co-Director, filed the application on behalf of the Center.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(1), (2) and (3)(j), Florida Administrative Code. Originally Montgomery requested nonjurisdictional status for the provision of water and wastewater. However, after reviewing the application and discussions with Mr. Kells, it was determined that Montgomery needs nonjurisdictional status for the provision of water service only. Wastewater service is provided by private septic tank. Also, according to the the information provided, water service is provided only to the conference center property, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Kells acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Montgomery is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Montgomery or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

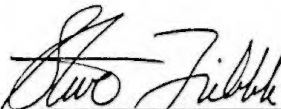

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Montgomery Conference Center, Route 3, Box 1102, Starke, Florida 32091, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Montgomery Conference Center or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Center's nonjurisdictional status. It is further

ORDERED that Docket No. 920846-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 15th day of January, 1993.
