ORDER INDICATING NONJURISDICTIONAL STATUS  
OF WALDO FARMERS AND FLEA MARKET AND CLOSING DOCKET

BY THE COMMISSION:

On September 16, 1992, Waldo Farmers and Flea Market (Waldo or Market) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Waldo's system is located at Route 1, Box 85 in Waldo, Florida. Ms. Sally Blakewood, President, filed the application on behalf of the Market.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water and wastewater service is provided only to the Market, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Blakewood

acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, Waldo will not be providing water service to the public for compensation, we find that it is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Waldo or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Waldo Farmers and Flea Market, 2373 Southwest Archer Road, Gainesville, Florida 32608, is not a water and wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Waldo Farmers and Flea Market or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Market's nonjurisdictional status. It is further

ORDERED that Docket No. 920934-WS is hereby closed.

By ORDER of the Florida Public Service Commission this 19th day of January, 1993.
