Mr. Steve C. Tribble
Director, Division of Records and Reporting
Florida Public Service Commission
101 East Gaines Street
Tallahassee, Florida 32301

Dear Mr. Tribble:

Re: Supplemental Indices to Proprietary Material
and Corresponding Information

On December 23, 1992, Southern Bell filed its Request for Confidential Classification for certain information contained in Staff's Rate Case Audit Reports and audit workpapers. Subsequently, it was discovered that although Southern Bell had mentioned in its Request that certain of the information sought to be protected related to non-regulated affiliate company information (Request at p. 2), including product and service related information (Request at p. 4), the Indices did not include the references to the portions of the documents containing such information. Southern Bell did submit a properly redacted copy; however, it now appears that the corresponding pages with the proprietary information highlighted were inadvertently omitted from the "Attachment C" packages, which are to be maintained by the Commission on a confidential basis.

Southern Bell hereby submits the enclosed Supplemental Indices to Proprietary Material and the corresponding highlighted pages as required by Rule 25-22.006, Florida Administrative Code. The enclosed supplements merely ensure that the documents in the possession of the Commission conform to the intent of the Request for Confidential Classification, in which Southern Bell already indicated that such information on unregulated affiliates is intended to be covered under the Company's pending Request for Confidential Classification.

A copy of this letter is enclosed. Please mark it to indicate that the original was filed and return the copy to me.
