FINAL ORDER

BY THE COMMISSION:

By Order No. PSC-92-0337-AS-TL, issued on May 12, 1992, in the Northeast Florida Telephone Company's (Northeast or the Company) Rate Case Docket, we required the implementation of a \$0.25 local calling plan between Northeast's MacClenny and Sanderson exchanges and Southern Bell's Baldwin, Maxville, and Jacksonville exchanges to be completed by June 21, 1992. This Order addresses a motion for waiver of Rule 25-4.040, Florida Administrative Code, filed by Northeast in order to change the publication date of its directory from February to June, 1993.

As a result of the implementation of the \$0.25 plan, Northeast must provide directory listings for both of its exchanges and for the Southern Bell exchanges of Baldwin, Maxville, and Jacksonville. The Company asserts that it would be in the long term best interest of its customers to have Northeast's directory published at the same time as Southern Bell's directory. We agree, Northeast shall be allowed to move the publication date of its directory to June 1993 to coincide with Southern Bell's publication date.

Therefore, it is

ORDERED by the Florida Public Service Commission that Northeast Florida Telephone Company's motion to waive Rule 25-4.040, Florida Administrative Code, is hereby granted as set forth in the body of this Order. It is further

ORDERED that this Docket is hereby closed.
