Re: Docket No. ~~93-1000-WG~~ Application for certificates to provide water and wastewater services under grandfather rights in Alachua County by Family Diner, Inc. and Turkey Creek, Inc. d/b/a Turkey Creek Utilities

Dear Mrs. Saxon:

This letter is in response to your letter dated February 9, 1993, regarding Turkey Creek Utilities (Turkey Creek). We have received prior complaints regarding the late fee assessed by Turkey Creek and are currently investigating the charge. This particular issue will be addressed in staff's next recommendation to the Commission, which will then render a decision on the proper charge. We will be providing Jim Cherry a copy of this recommendation once it has been filed.

Regarding Turkey Creek's bill, we are aware that there are two different dates. We asked the utility to give the customers twenty days to pay their utility bill in accordance with Commission Rules, which is why a new date was printed on the bill. We are also aware that the utility is waiting on the final recommendation from staff before they change the format of the bill. Please abide by the date which is twenty days from the billing date, not the tenth of the month.
