ORDER INDICATING EXEMPT STATUS  
OF JAMFLAN, INC. d/b/a PARTY PIZZA AND CLOSING DOCKET

BY THE COMMISSION:

On October 5, 1992, Jamflan, Inc. d/b/a Party Pizza (Jamflan) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(5), Florida Statutes. Jamflan's water system is located at Midway Road and 25th Street, Ft. Pierce, Florida. Mr. Gerald S. James, President and primary contact person, filed the application on behalf of Jamflan.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rules 25-30.055 and 25-30.060, Florida Administrative Code. After reviewing the application, we find that Jamflan does not qualify for exemption under Section 367.022(5), Florida Statutes. From correspondence and discussions with Jamflan, we determined that it qualifies for exemption from Commission regulation pursuant to Section 367.022(6), Florida Statutes.

Section 367.022(6), Florida Statutes, states that "[s]ystems with the capacity or proposed capacity to serve 100 or fewer persons" are exempt from Commission regulation. In addition, Rule 25-30.055(1), Florida Administrative Code, provides that:

A water or sewer system is exempt under section 367.022 (6), Florida Statutes, if its current or proposed water

or sewage treatment facilities and distribution or collection system have and will have a capacity, excluding fire flow capacity, of no greater than 10,000 gallons per day or if the entire system is designed to serve no greater than 40 equivalent residential connections (ERCs). For purposes of this rule only, one ERC equals 250 gallons per day.

According to the permit issued by the Department of Environmental Regulation, Jamflan's system has a capacity of 1,600 gallons per day. The system provides water service only to Party Pizza and an adjacent A.P. Food Store. Wastewater service is provided by a septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. James acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Jamflan is exempt from our regulation pursuant to Section 367.022(6), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Jamflan or any successors in interest, must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Jamflan, Inc. d/b/a Party Pizza, Post Office Box 3351, Fort Pierce, Florida 34948, is exempt from Commission regulation pursuant to the provisions of Section 367.022(6), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Jamflan or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Jamflan's exempt status. It is further

ORDERED that this Docket is hereby closed.
