Dear Mr. Tribble:

During a panel deposition held on June 18 and 19, 1992, Public Counsel requested production of certain documents. These documents were provided as Late-Filed Exhibits to the deposition under a Motion for Temporary Protective Order. On February 22, 1993, the Staff requested that it be provided these Late-Filed Exhibits. On March 4, 1993, Southern Bell provided this information to Staff under a Notice of Intent to Seek Confidential Classification. It has come to Southern Bell's attention that the document comprising Late-Filed Exhibit No. 47 was the subject of a Request for Confidential Classification and Motion for Permanent Protective Order previously filed by Southern Bell on August 27, 1992. Late-Filed Exhibit No. 47 consists of the LMOS software release which contains vendor specific information and information concerning the security and confidentiality of Southern Bell's computer system. Thus, Southern Bell considers this information to be proprietary confidential business information which should be protected as per the Request for Confidential Classification previously filed herein.
