ORDER GRANTING EXTENSION OF TIME  
IN WHICH TO SERVE PRE-FILED TESTIMONY

On March 23, 1993, Florida Gas Transmission Company (FGT) filed a motion to extend the time to serve its pre-filed testimony in this case from Friday, April 2, 1993, until Monday, April 12.

In support of its motion, FGT notes that the direct testimony of SunShine Pipeline Partners (SunShine) was to be filed with the Florida Public Service Commission on or before March 5, 1993, but FGT did not receive that testimony until March 10, 1993. The revised direct testimony was not received until several days later. Further, FGT states that its primary witness, Dr. Paul A. Carpenter of Incentives Research, Inc., of Boston, Massachusetts, will be involved in a week-long hearing in California from March 28 through April 2, 1993.

FGT has consulted with the respective counsels for SunShine and intervenor Florida Power Corporation. Neither has raised an objection to the extension of time if the time to file rebuttal testimony is extended to April 22, 1993.

The request for an extension of time is just and reasonable under the circumstances and the parties have agreed to it.

It is, therefore,

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that the time for filing Intervenor Testimony is extended to April 12, 1993. It is further

ORDERED that the time for filing rebuttal testimony is extended to April 22, 1993.

By ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 29th day of March, 1993.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
