RE: Application for Determination of Need for an Intrastate
Natural Gas Pipeline, Docket No. 920807-GP

Dear Mr. Tribble:

Enclosed for filing you will find an original and fifteen
copies of Intervenor Florida Gas Transmission Company's Request for
Recognition in the above-referenced docket.

At the prehearing conference on Monday, May 3, 1993, I
inadvertently identified the attached decision as involving a
certificate of need determination. While I had been told that it
was such, further examination reveals that it may only concern a
more typical rates proceeding. I will attempt to confirm this
fact.

Should you have any questions or if I can be of any further
assistance, please do not hesitate to give me a call.

Very truly yours,

PEEPLES, EARL & BLANK, P.A.
