WASTEWATER REGULATION)
_____)

ORDER ESTABLISHING PROCEDURES TO BE FOLLOWED
AT RULEMAKING HEARING

I. Background

The Florida Public Service Commission has proposed new and revised rules relating to the regulation of water and wastewater utilities. The proposed new rules, rule amendments and repeal were published in the Florida Administrative Weekly on April 2, 1993.

A hearing is scheduled at the following time and place:

9:30 a.m., May 24, 1993
and, if needed, May 25 and 26, 1993
Room 106, Fletcher Building
101 East Gaines Street
Tallahassee, Florida 32399

II. Rulemaking Hearing

The rulemaking hearing shall be governed by section 120.54, Florida Statutes, and by Chapter 25-22, Florida Administrative Code.

DOCUMENT NUMBER-DATE
04845 MAY-5 88
PSC-RECORDS/REPORTING

III. Hearing Procedures

The following procedures shall apply:

1. The Commission staff will present a summary of the economic impact statement and the rules.

2. Following the staff presentation, affected persons will have the opportunity to make presentations. Participants should limit their presentations to 20 minutes. Persons with similar positions should combine to make one presentation.

3. At the conclusion of each presentation, if time permits, participants will have the opportunity to ask questions of the presenters.

4. Testimony and comments should be prefiled, by filing an original and 15 copies by May 17, 1993. The comments already filed and any additional comments and testimony filed by that date will be incorporated in the indexed set for the Commission; however, no additional comments are required. At a minimum, all persons who wish to participate at the hearing should file a list of the rules that the participant will not be commenting on.

5. Persons who wish to participate at the hearing must register at the beginning of the hearing. The general order of presentation will be as follows:

Members of the public
Florida Fire Sprinkler Association
Water and Wastewater utilities
Office of the Public Counsel
Other interested parties

6. All alternate rule proposals shall be made in writing, with copies distributed at the hearing. See Appendix "A" for the suggested rule proposal format.

7. At the hearing, participants should organize their comments in the following order:

Rule 25-30.465 Private Fire Protection Rates
All other rules, in numerical order, other than Rules 25-30.465 and 25-30.432
Rule(s) 25-30.432 Used and Useful in Rate Case Proceedings

IV. Posthearing Procedures

1. A transcript of the proceeding will be made available to the public at the cost of \$1.00 per page, as specified in section 350.06(7), Florida Statutes.

2. Post-hearing written statements may be filed with the Commission by June 18, 1993 by any person participating in the proceeding.

Based on the foregoing, it is

ORDERED that this Order shall govern the conduct of these proceedings, as set forth above, unless modified by the Commission.

BY ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 5th day of May, 1993.

SUSAN F. CLARK, Commissioner
and Prehearing Officer

1
2
3 Rule 25-XX.XXXX Suggested format for rule proposals.

4 (1) Proposed rules and rule revisions must be submitted in
5 writing, and must be typed, double-spaced, using type-and-strike
6 format.

7 (2) You may obtain a diskette copy of the proposed rules in
8 Wordperfect 5.1 rule format from Mary Diskerud in the Division of
9 Appeals. The rules will be copied onto your blank, formatted high
10 density 3.5" diskette. Please ~~redline~~ suggested additions to and
11 deletions from the proposed version of the rules. Explanatory
12 comments should be keyed to the rule in some fashion, such as
13 through footnotes.

14 (3) Example of redlined additions with explanatory comment:

15 The Florida Energy Efficiency and Conservation Act requires
16 increasing the efficiency of the electric systems of Florida,
17 increasing the conservation of expensive resources, such as
18 petroleum fuels, to ~~and the end use of these sources of energy by~~
19 ~~reducing~~ reduce ~~weather sensitive~~¹ peak demand, ~~oil consumption and~~
20 kilowatt hour consumption to the extent cost effective.
21
22

23 APPENDIX "A"
24

25 ¹ Staff believes that the rule should address all peak demand, not just weather-sensitive peak demand.

CODING: Words underlined are additions; words in
~~struck through~~ type are deletions from existing law.
