Re: Docket No. 910163-TL - Investigation into the integrity of Southern Bell Telephone and Telegraph Company's repair service activities and reports

Dear Mr. Beck:

On January 29, 1993, you filed the Office of Public Counsel's Fourteenth Motion to Compel and Request for In Camera Inspection of Documents. It is Staff's understanding, however, that you have worked this matter out informally with the company. In order to keep our document tracking system fully up to date, I would appreciate it if you would let me know, by May 21, 1993, if our information in this regard is in error.

Thank you for your attention to this matter.

Sincerely,

Robert J. Pierson
