ORDER GRANTING SECOND MOTION FOR
EXTENSION OF TIME AND FINDING FIRST
MOTION FOR EXTENSION OF TIME TO BE MOOT

By Order No. PSC-93-0029-PCO-TL, issued on January 6, 1993, we required BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) to prepare and submit within 90 days a traffic study of the routes between all exchanges in Palm Beach County. In its initial request for extension of time, and based on the scale of the undertaking, Southern Bell asked to have until May 6, 1993 to submit the required traffic study. This unopposed request is now moot.

Based on information contained in Southern Bell's second request for extension of time, it appears that the Company has now completed the study but is concerned that certain data within the study may not be valid. Southern Bell asks for an additional 30 days, until June 5, 1993, to respond to Order No. PSC-93-0029-PCO-TL. This will allow the Company to sort through the perceived problems with its traffic study data.

Upon review, I shall grant the second request for extension of time. I find that moving forward in this docket with questionable data is not in anyone's interest.

Therefore, based on the foregoing, it is

ORDERED by Luis J. Lauredo, as Prehearing Officer, that BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company's second request for extension of time is granted.

By ORDER of Commissioner Luis J. Lauredo, as Prehearing Officer, this 20th day of May, 1993.
