Subject: Docket # [REDACTED] 930173-TL

Good morning, Mr. Tribble:

We just received your May 28 letter indicating our docket # is being placed on the Commission Agenda for June 8, 1993. Unfortunately, I will be out of the state June 8 & 9 & unable to attend.

However, we did wish to go on record as to the problem we have in this part of the county. The difficulty here is that we live in the very northeast part of Polk county. In fact the name POLO is derived because we border on 4 counties, namely Polk, Orange, Lake, & Osceola. Also, Davenport is only a mailing address, which is some 15 miles to the south of our community.

Unfortunately, phone calls just across the road or down highways 192 & 27 (just a few miles away) are charged as long distance calls, which we feel is very unfair. Many of our calls are into Orlando, Kissimmee or Clermont.

I trust this information can be placed in our file for proper consideration by your Commission when it deliberates this case.

~~ACK~~ As suggested by Mr. John Adams, I am sending the original to you
~~AFA~~ with copies specifically to Miss Ann Shelfer & Mr. John Adams,
~~APP~~ as well as 6 additional copies for other commissioners files.

~~CAF~~ Thanks again for all your consideration of our problem.
