ORDER INDICATING EXEMPT STATUS  
OF GEORGIA-PACIFIC CHIP MILL AND CLOSING DOCKET

BY THE COMMISSION:

On April 30, 1993, Georgia-Pacific Chip Mill (Georgia-Pacific) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Georgia-Pacific is located on State Road #216, Palatka, Florida. Mr. Arnold R. Baker, Fiber Products Manager, filed the application on behalf of Georgia-Pacific. The primary contact person is Mr. James O'Brien.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

After reviewing the application and talking with representatives of Georgia-Pacific, it has been determined that Georgia-Pacific qualifies for exemption from Commission regulation pursuant to the provisions of Section 367.022(3), Florida Statutes, and Rule 25-30.060(1), (2), and (3)(c), Florida Administrative Code. Georgia-Pacific has refiled its application requesting recognition of its exempt status pursuant to the provisions of Section 367.022(3), Florida Statutes. According to the application, water service is provided solely in connection with its manufacturing operations, and the service area is limited to the mill site on State Road #216 in Palatka, Florida. Wastewater service is provided by a septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Baker acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Georgia-Pacific is exempt from Commission regulation pursuant to the provisions of Section 367.022(3), Florida Statutes. Accordingly, Georgia-Pacific is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Georgia-Pacific or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Georgia-Pacific Chip Mill, Post Office Box 1040, Palatka, Florida 32178-1040, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(3), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Georgia-Pacific Chip Mill or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Georgia-Pacific's exempt status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission this 7th day of June, 1993.
