RE: Returned Mail

We are still continuing to receive returned mail for the United States Post Office on the following Company:

CARLOS A. PEREZ (TE275)

Have previously requested on 1-4-93 and 2-22-93 (copies of memos attached) for a good mailing address. Have had no response to either memo.

Can the FPSC initiate cancellation processings against the above Company, so taht we can get their certificate canceled? Until that happens, the mail will contine to be returned, which is costly over a long period of time.
