ORDER CLOSING DOCKET

BY THE COMMISSION:

On June 30, 1992, the Alachua County Board of County Commissioners adopted a resolution pursuant to Section 367.171, Florida Statutes, declaring the privately-owned water and wastewater utilities in that county subject to the provisions of Chapter 367, Florida Statutes. We received the County's resolution on July 3, 1992. The effect of the resolution is to invoke this Commission's jurisdiction over privately-owned water and wastewater systems in Alachua County.

We acknowledged the jurisdictional resolution by issuing Order No. PSC-92-0964-FOF-WS on September 9, 1992. Pursuant to that Order, all utilities within the County were to file either an exemption or a grandfather certificate application.

This docket was to remain open pending receipt of applications from all privately-owned water and wastewater utilities located in Alachua County. All utilities in the County that we are aware of have submitted applications as specified in that Order. We have received 44 exemption filings and five grandfather applications which are being evaluated in separate dockets. No further action is required in this docket; therefore, this docket shall be closed.
