Re: Docket No. 920199-WS; Southern States Utilities, Inc.
Final Tariff Sheets

Dear Mr. Tribble:

Enclosed for approval on behalf of Southern States Utilities, Inc. are an original and three copies of final rate tariff sheets for all of Southern States Utilities, Inc. water and wastewater systems under the Commission's jurisdiction. These consolidated final rate tariff sheets include the final rates established by the Commission pursuant to Order No. PSC-93-0423-FOF-WS which were affirmed on reconsideration for the systems at issue in Docket No. 920199-WS.

The consolidated final rate tariff sheets also include final rate tariff sheets for systems not included in Docket No. 920199-WS. The rates for those systems and the effective date of such rates have recently been established by the Commission and Director of the Division of Water and Wastewater, respectively. For example, the consolidated final rate tariff sheets include the final rate tariff sheets previously approved for the Lehigh water and wastewater systems. The final revised rates (on reconsideration) for the Lehigh systems were established pursuant to Order No. PSC-93-1023-FOF-WS. Tariff sheets reflecting these revised final rates were approved by the Director of the Division of Water and Wastewater by letters dated August 4 and 10, 1993 with the effective date for the new rates being September 3, 1993. The tariff sheets for the Lehigh systems included in the enclosed consolidated tariffs are exactly the same as those previously
