In re: Petition of INTERMEDIA)

Docket No. 921074-TP
Filed: September 1, 1993

REQUEST FOR CONFIDENTIAL CLASSIFICATION AND
MOTION FOR PERMANENT PROTECTIVE ORDER

Pursuant to Commission rule 25-22.006, GTE Florida Incorporated ("GTEFL") seeks confidential classification and a permanent protective order for certain material submitted in response to question number 64 of the Staff's Fourth Set of Interrogatories in this case. That question asks for a list of all central offices in Florida, along with the number of access lines per office, and the number of private and special access lines per office. The Company seeks confidential treatment for the office-specific data totals for the switched, special, and private line categories.

These data are competitively sensitive. Their public filing would allow actual and potential competitors to know which markets are most promising and lucrative for the specific services listed. It could then tailor its marketing and construction strategies accordingly. Any such advantage, gained through other than trial and error in the marketplace is unfair. This undue competitive advantage will permit the creation of market disruptions and their concomitant anti-consumer effects. Disclosure of this information can result in competitive losses, to the detriment of the Company's ratepayers. The Commission has customarily recognized the need to grant protection to this type of information. ~~DOCUMENT REQUEST FOR~~
