Mr. Steve Tribble  
Director, Division of Records and Reporting  
Florida Public Service Commission  
101 East Gaines Street  
Tallahassee, Florida 32301

Re: MFR Updates, Docket 920260-TL

Dear Mr. Tribble:

Pursuant to Staff's request, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell") hereby submits twenty-one (21) copies of the attached MFR Updates and revisions to portions of its July 2, 1993 Minimum Filing Requirements (MFRs). Also included in this filing is one set of diskettes containing the updated E-1a Schedules.

For all replacement schedules except the E-1a, a cover sheet attached to each MFR schedule update designates the Schedule, Volume, and pages to be revised. Attachment III details the specific E-1a pages to be revised and designates which pages are considered by Southern Bell to be proprietary. One copy of the unredacted material, which is already protected under Southern Bell's Request for Confidential Classification filed July 2, 1993, is being provided in a separate sealed envelop.

Please call me at 222-1201 if you have any additional questions.

Sincerely,

*A M Lombardo (AME)*

cc: All Parties of Record (Letter only)

Attachment I

Description of MFR Revisions related to deficiencies noted by Staff or error corrections

<u>Schedule</u>	<u>Period</u>	<u>Description</u>
E-1a	Test Year Historical	<u>Present and Proposed Rates and Revenue Increases</u>  <u>Deficiency Noted:</u> See Attachment II  <u>SBT Response:</u> (The items referenced in the following are from Attachment II.)  The requested information has been furnished with schedule updates for items 1, 2, 8, 12-17, 22, 26-29, 31-38, 40-53, 59, 63-86, and 88-135.  Items 3-7, 9-11, 30, 54-58, 60-62, and 87 involve USOCs not included in the tariff, but where service is provided under these USOCs, the referenced tariff pages and rates are used.  Items 18-21, 24, and 25 were obsolete in 1993, and were correctly included exclusively in the 1992 Historical E-1a.  Items 23 and 39 involve a rate change effective in 1993. These rates are the correct rates for the 1992 Historical E-1a.  In addition, Southern Bell has identified the need for corrections to certain other MFR schedules and is resubmitting those schedules with this filing. The corrected schedules are:
A-5a	Test Year	<u>Test Year Revenue Sources</u> This Schedule was revised to reflect updated data submitted in the 9/10/93 E-1a.
C-4c	Historical	<u>Annual Analysis of Plant Specific and Plant Nonspecific Expenses for the three years prior to the test year, the test year, and one year following the test year</u> This revision was to the 1993 amount shown for account 6535.

C-18a      Test Year  
            Historical

Expenses and Revenues that the Company  
considers Extraordinary

Test Year: The amount for services removed refund was corrected to include revenue categories omitted from the original filing.

Historical: Correction of typographical error in the description and account for pre-divestiture continent liabilities.

E-2          Test Year

Repression or Stimulation of Earnings  
This Schedule was revised to update the Switched Access rates.

E-7          Test Year

Revenue Reconciliation  
This Schedule was revised to reflect updated data submitted in the 9/10/93 E-1a.
