RE: Dockets 911034-TL and [REDACTED] - EAS between Fort Lauderdale, Hollywood, North Dade, and Miami; comprehensive review of revenue requirements and rate stabilization plan of Southern Bell Telephone and Telegraph Company

Order No. PSC-93-1301-FOF-TL, issued September 8, consolidated the above-referenced dockets. As a result of the consolidation, this office will, in effect, maintain only the file in Docket 920260-TL from September 8 forward. No further entries will be made in the Case Management System in 911034-TL; no documents will be placed in 911034-TL; in the event that confidential documents are filed, they will not be placed in 911034-TL, but rather in 920260-TL. Further, the mailing list for 911034-TL will be consolidated with 920260-TL, and only the 920260-TL mailing list will be used in issuing orders and notices. And, in keeping with the procedure established when 920260-TL and "the other four" dockets were consolidated, if a filing is received that reflects only docket number 911034-TL, that number will be entered as the first part of the document description on CMS, but the entry will be made only in 920260-TL.

Please let me know if you have any questions regarding this procedure.
