SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S NOTICE
OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION

COMES NOW, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company"), and pursuant to Rule 25.22.006, Florida Administrative Code, files its Notice of Intent to Request Confidential Classification.

1. The Staff of the Florida Public Service Commission ("Staff") has issued several Audit Requests in connection with the NARUC/FCC Regional Audit of BellSouth. Staff has requested, among other things, that Southern Bell furnish the following information:

2. Audit Request No. 2-001.C, dated September 9, 1993 - "In conjunction with 1-001.8, Staff was determined that Sunlink also leased warehouses to BCS and Dataserv and has a warehouse in Miami which we are not sure is leased to an affiliate. Staff believed these are also chained transactions and also should have been supplied as a response to Request 2-001 during the 8/11/93 trip to review the response."

3. Some of the information being provided is clearly proprietary. For example, the information being provided contains information relating to competitive lease information.

Such information is specifically considered to be proprietary, confidential business information pursuant to § 364.183(3)(d) and (3)(e), Florida Statutes.

4. Consequently, because this information contains proprietary information, Southern Bell is filing this Notice of Intent to Request Confidential Classification, pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, in order to allow the Staff to review this information without delay. Both the original of this notice and the individual requests have been filed with the Division of Records and Reporting, and a copy has been served on the Division requesting the information. The written Staff Request is attached hereto.

Respectfully submitted this 15th day of September, 1993.

Request: In conjunction with 1-001.8, Staff was determined that Sunlink also leased warehouses to BCS and DataServ and has a warehouse in Miami which we are not sure is leased to an affiliate. Staff believed these are also chained transactions and also should have been supplied as a response to Request 2-001 during the 8/11/93 trip to review the response.

Response: Copies of the Sunlink lease with BCS and the Sunlink lease with DataServ were provided to Kathy Welch on September 14, 1993 in Atlanta, GA.

This material constitutes proprietary confidential business information and is being produced subject to a "Notice of Intent to Request Confidential Classification."

Re: The Miami warehouse: After hurricane Andrew, We Will Rebuild, Inc. asked the Company to provide storage space for the supplies coming in from around the country to help out in the relief effort. In response to this request, Southern Bell entered into a lease with Sunlink for warehouse space. This space is leased for the operating expenses of the building alone. These expenses are accounted for as rent expenses and then rejournalized as in-kind donations (Account 7370.2000). This lease expires at the end of September. We Will Rebuild will continue to use the space. A new lease is currently being negotiated and We Will Rebuild will continue to occupy the space under the new agreement. Sunlink will begin charging rent for the space. BST will pay the rent and bill We Will Rebuild for 100% of the expenses associated with the lease.

As per 9/14/93 discussion with Kathy Welch, attached is the lease agreement currently in effect. The new lease has not been finalized at this time.
