ORDER AMENDING DATES IN ORDER ESTABLISHING PROCEDURE

On July 7, 1993, Florida Power and Light Company (FPL) filed a petition for recovery of environmental compliance costs pursuant to Section 366.8255, Florida Statutes. This matter was set for a formal hearing on November 30, 1993.

The Commission voted by proposed agency action on FPL's petition on October 12, 1993. The Commission decided that a protest period of 14 days, rather than the customary 21 days, was necessary in order to meet the November 30, 1993 hearing date if a protest to the notice of proposed agency action was filed.

An Order Establishing Procedure (Order No. PSC-93-1245-PCO-EI, issued August 27, 1993) was issued that established dates governing key activities in this case. In the event that no one files a protest to the notice of proposed agency action, then the Commission's notice of proposed agency action becomes a final order, thus alleviating the need to proceed with the dates established for hearing. If a protest is filed, however, the date for filing prehearing statements shall be amended to November 16, 1993, which is after the end of the protest period.

In the event that a protest to the notice of proposed agency action is filed, the following dates shall govern the proceeding:

Prehearing Statements	November 16, 1993
Prehearing Conference	November 19, 1993
Hearing	November 30, 1993
Briefs	January 4, 1994

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
