NOTICE OF PROPOSED AGENCY ACTION
ORDER REDUCING AUTHORIZED RETURN ON EQUITY FOR
ST. JOE NATURAL GAS COMPANY, INC.

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

On October 22, 1993, Commission Staff (staff) contacted the Florida investor-owned natural gas distribution companies to see if the companies would agree to authorized returns on equity (ROEs) more reflective of current market conditions.

St. Joe Natural Gas Company, Inc.'s (St. Joe) currently authorized ROE is 13.70%, established by Order No. 19793, issued on August 11, 1988. Since the time that order was issued, the cost of capital has declined significantly. We note that the bellwether 30 year treasury bond rate has declined from 7.54% in October 1992 to 5.93% in October 1993. Projections for the next two years indicate 30 year treasury bond rates will continue to be at approximately that level. Moody's Bond Survey indicates that there has also been a decline in utility bond interest rates. Further, as of October 1993, staff's internal models indicated the range of cost of equity for gas companies has dropped 115 to 180 basis points.

DOCKET NO. 931102-GU
PAGE 2

On December 2, 1993, St. Joe filed a letter with staff stating that it would agree to an 11.00% mid-point for its authorized ROE with a range of plus or minus 100 basis points.

We find that the proposal should be accepted. We believe that 11.00% is more in line with the current cost of equity for gas companies than St. Joe's current authorized ROE. By accepting this proposal, the Commission will avoid a hearing on this issue and the attendant rate case expense.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that St. Joe Natural Gas Company, Inc.'s authorized return on equity shall be reduced to 11.00% plus or minus 100 basis points for all regulatory purposes beginning January 1, 1994. It is further

ORDERED that if there is no protest to this proposed agency action within the time frame set forth below, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 10th day of December, 1993.
