ORDER SUSPENDING TARIFFS

BY THE COMMISSION:

Florida Power Corporation (FPC) petitioned the Commission for approval of revisions to its non-firm (interruptible, curtailable and load management) rate schedules. The revised schedules would allow the utility to interrupt or curtail service to customers on these schedules when necessary to provide emergency power to other utilities.

Subparagraph (4)(c) of Rule 25-6.0438, Florida Administrative Code, requires that when a utility proposes to make a change in any of its non-firm service offerings, it must provide written notice to each customer who may be affected by the proposal. We therefore suspend the revised rate schedules so that the company can notify all customers who may be affected prior to our consideration of the revisions.

It is therefore

ORDERED by the Florida Public Service Commission that the revised interruptible, curtailable, and load management rate schedules (IS-1, IST-1, CS-1, CST-1, SS-2, SS-3, RSL-1 and GSLM-1), filed by Florida Power Corporation are hereby suspended. It is further

ORDERED that Florida Power Corporation shall provide notice to all customers who may be affected by the revisions to its rate schedules, in compliance with Rule 25-6.0438, Florida Administrative Code. It is further
