RE: IC&R PROJECT #93-252

PROJECT NAME: Extension of wastewater service area to include Carriage Village and Royal Coach

mobile home communities

Dear Sir or Madam:

The staff of the Southwest Florida Regional Planning Council reviews various proposals, Notifications of Intent, Preapplications, permit applications, and Environmental Impact Statements for compliance with regional goals, objectives and policies, as determined by the Regional Comprehensive Policy Plan. The staff reviews such items in accordance with the Florida Intergovernmental Coordination and Review Process (Chapter 29I-5, F.A.C.), and adopted regional clearinghouse procedures.

These designations determine Council staff procedure in regards to the reviewed project. The four designations are:

Less Than Regionally Significant and Consistent - no further review of the project can be expected from Council.

Less Than Regionally Significant and Inconsistent - Council does not find the project of regional importance, but will note certain concerns as part of its continued monitoring for cumulative impact within the noted goal areas.

Regionally Significant and Consistent - Project is of regional importance and appears to be consistent with Regional goals, objectives and, policies.

Regionally Significant and Inconsistent - Project is of regional importance and does not appear to be consistent with Regional goals, objectives, and policies. Council will oppose the project as submitted, but is willing to participate in any efforts to modify the project to mitigate the concerns.

DOCUMENT NUMBER-DATE

13735 DEC 27 8

North Fort Myers Utility, Inc. DATE: December 22, 1993 PAGE: IC&R PROJECT #93-252 The above-referenced permit application has been reviewed by this office, and based upon information contained in the application and on local knowledge, has been found Less Than Regionally Significant And Consistent with adopted goals, objectives, and policies of the Regional Comprehensive Policy Plan.
