ORDER JOINING NECESSARY PARTIES

This proceeding was initiated to address concerns that have arisen regarding whether and in what manner regulated telecommunications companies may disseminate long distance telephone records, as well as other customer information, to persons or entities beyond that which is necessary in the provision of telecommunications service. To date only the Office of Public Counsel and two local exchange companies have intervened in this proceeding. Since the issues to be examined are generic in nature and will necessarily involve more than these parties and since any decisions reached in this proceeding will affect all local exchange companies and potentially some interexchange carriers, I find it appropriate to join as parties to this proceeding the following:

AT&T Communications of the Southern States, Inc.

MCI Telecommunications Corp.

Sprint Communications Company

Telamarketing Corporation of Louisiana d/b/a LDDS  
Communications, Inc.

ALLTEL Florida, Inc.

Central Telephone Company of Florida

Floral Telephone Company

Gulf Telephone Company

Indiantown Telephone System, Inc.

Northeast Florida Telephone Company, Inc.

Quincy Telephone Company

Southland Telephone Company

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
